Aim: To reinforce sentence structure

Number of players: 2-3

How to play:

• The children(2-3) have a base board each, containing 4 incomplete sentences and cards (see next 4 slides).
• The pile of cards is placed face down on the table and the children take turns to pick a card and see if the word fits any of their sentences.
• If the word fits, they keep the card and put it on their base board.
• If not, the card is returned to the bottom of the pile and the next child has a turn.
• The object of the game is to be the first to fill the board with the missing words.
