Week 6 Game 14  Reversible word order Bingo
(for 2 players)

**Aim:** To reinforce sentence structure
You will need: a base board for each player and the small cards to share

**How to play:**
- Each child has an 8-picture base board (see next slide that requires cutting in two) and the pile of small cards is put facedown on the table.
- Each child then has a turn to take a sentence, read it and match the word order of the sentence to any of the pictures on their board.
- If the child has the sentence which matches a picture on their baseboard, they put the card over it.
- If the sentence does not match any of their pictures they return it to the bottom of the sentence pile.
- The next child then has a turn.
- The object is to be the first to fill the board.
